EXPLANATORY NOTE / NOTE

The non-accredited tests are marked with (*) / Le prove non accreditate ACCREDIA sono contrassegnate con (*).

The results reported on this Analytical Report are uniquely referred to the samples as they have been delivered to the laboratory/ I risultati contenuti nel presente Rapporto di Prova si riferiscono unicamente ai campioni così come consegnati al laboratorio.

(\$) Details provided by the client. The laboratory declines any responsibility / Dati forniti dal committente. Il laboratorio declina ogni responsabilità.

Solo se richiesto, il giudizio di conformità espresso nel risultato finale (indicato come valore di prova \pm incertezza estesa, "U") per prove di solidità, per prove fisico-meccaniche e per prove chimiche viene attribuito senza considerare l'incertezza di misura.

Le regole decisionali aziendali sono documentate sul nostro sito web aziendale alla pagina <http://www.lab-solution.it/accreditamento/>

Only if requested, the conformity evaluation expressed in the final result (indicated as test value \pm expanded uncertainty, "U") for colour fastness tests, physical-mechanical tests and chemical tests is not taking into account the uncertainty associated to the measurement result.

The decision rules are documented on our company website at the page <http://www.lab-solution.it/accreditamento/>.

Solo se indicato, U=incertezza estesa stimata al 95% di probabilità con fattore $k=2$. L'incertezza associata al risultato è disponibile su richiesta del cliente.

Only if indicated, U=expanded uncertainty estimated at 95% probability with factor =2. The uncertainty associated to the result is available upon request of the client.
